

Timeline of my life

@kaleidoscopeliveseu

"Our past is not, as some fear, a series of events carved in stone that we must carry around for the rest of our lives... but a kaleidoscope of experiences that, when viewed through different lenses, can `color` (change) how we see our present and future." - Bill Crawford

Timeline of my life

@kaleidoscopeliveseu

I was born

Me now

"Our past is not, as some fear, a series of events carved in stone that we must carry around for the rest of our lives... but a kaleidoscope of experiences that, when viewed through different lenses, can `color` (change) how we see our present and future." - Bill Crawford
